Akron Aug 10th, 1888.

Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir,

In accordance with instructions contained in your letter of June 27th 1888, I hand you herewith a census of the Indians residing on the several Reservations in this Agency. This census is the best that I could obtain, under the restrictions contained in the instructions. It is I think complete with the exception of the Onidas at Onida which I could not obtain without paying some person to take the same.

I also enclose a statistical statement

prepared from said census in each case where the necessary particulars were given, showing the males above 18 years of age, females above 14 years of age and school children between 6 + 16 years of age,

Very Respectfully

T. W. Jackson

New York Agency

Aug. 13th 1891

A. W. Gernie,
U. S. Indian Agent

Letter accompanying
Census of New
York Indians. 7th
For School Rept see 29935 E. M.

In regard to the statistics,
I would say that I am unable to
make them out at this time owing
to the great distance of many of
the Reservations from the Agency,
and would respectfully ask that
I may defer them until I dis-
tribute the annuity goods at
which time I will visit each
Reservation with the exception of
the St Regis and can inform
myself as to the facts required.

Yours respectfully,

A. W. Ferris

U. S. Indian Agent.

29934

United States Indian Service,

New York Agency,

Albany, Aug. 13, 1881.

Gen. Commissioner of Indian Affairs.
Washington, D. C.

Sir:

I mail you this date, a census of the Indians in this Agency with the exception of the St. Regis, and Oneida Indians, neither of which I have been able as yet to obtain. I will make a further effort to get the census of these tribes, and if successful, will send it at once.

I also enclose a report of the Indian schools in this Agency.

In regard to the statistics,
I would say, that I am unable to
make them out at this time owing
to the great distance of many of
the Reservations from the Agency,
and would respectfully ask that
I may defer them until I dis-
tribute the annuity goods - at
which time I will visit each
Reservation - with the exception of
the St. Regis - and can inform
myself as to the facts required.

Very respectfully,

A. W. Ferris

U. S. Indian Agent.

Sir,

I mail you this date a Cen.

St Regis Indians, which I have
as yet been able to secure. An
appropriation is allowed for the
taking the census of any tribe
Americas, I could not do
and over all. On some
times the names of the head
men are given with the
each family.

United States Indian Service,

New York Agency,

Salamanca, July 15, 1893.

Hon. Commissioner of Indian Affairs,
Washington, D.C.

Sir:

I have the honor to mail you this date a census of the Indians in this Agency, with the exception of the St. Regis Indians, which I have not been able to obtain. I have re-peatedly written for it, but as they receive neither money or goods from the Government they seem to think there is under no obligation to furnish a census.

The statistics, with report of schools, I will send as soon as the reports from the Superintendents are received.

Very respectfully,
A. W. Fenner
U.S. Indian Agent,
